

Who Is Our Class and Craft?

Our class and craft includes:

- **All of JF1 Members**
- **All of GSE and Vehicle techs***
- **All Facility techs***
- **All tooling or tool room attendants***
- **All ASA attendants**
- **All sort systems techs***
- **Fabricators***
- **MOCC Techs**
- **Aircraft fuelers***
- **Aircraft cleaners***
- **Quality Assurance Techs**

All others including Supply or other fields left out will be determined by the mediators at filing.

*A person is in unit if they maintain, clean, fuel, service, or in some other way support those that do these tasks on aircraft, vehicles, equipment, buildings, facilities, equipment, or just about any other thing, as long as it belongs to FedEx Express. Whether a person is in or out of unit depends on what they do, rather than what the company calls them.

United we bargain! There is strength in unity!

Divided We Beg**
